The Canyon News

VOL. 79 NO. 4 CANYON, TEXAS THURSDAY, APRIL 24, 1975 10 PAGES 15 CENTS

Garre LaGrone won first place in the pole vault during the district track meet held here last weekend. Several Canyon athletes will go on to regional track competition as a result of district wins.

County supports raises; vote pleases Simpson

Randall County's state representative, Bob Simpson, said late Tuesday he is "personally gratified" by the overwhelming support given a constitutional amendment to raise legislators' pay.

Even though voter turnout was light here, Randall County voters cast ballots overwhelmingly for a raise in pay for state representatives and senators.

"I hope this means the people of Randall County think the members of the legislature are doing a good job," Simpson said, "and I hope it shows their faith in the legislative system."

Simpson said he feels the request put before the electorate on the ballot Tuesday to raise legislators' salaries "was reasonable." He said the raise was intended to be more to cover the hike in the cost of living rather than as a blanket pay raise.

"My attitude on it when I voted for it was that it was a reasonable request," he said. "I'm the kind who never asked for a raise in my life. I feel if I've been doing a good job then I'll be financially rewarded. If not, I won't."

Randall County voters also approved by an even larger margin the other issue on the Tuesday ballot, a hike in state payments into various teacher and public employee retirement systems.

Of 29,300 possible registered voters in the county, only 4091 went to the polls in Canyon, South Amarillo and rural areas. That amounts to 13.9 per cent of the potential electorate. In 1973, when a special constitutional amendment election was held, only 11.4 per cent of the registered voters cast ballots. The percentage was even lower in a 1971 special election when 10.7 per cent went to the polls.

On the issue of salary adjustments for legislators, 2640 persons cast ballots for an increase, while 1424 cast ballots against.

A total of 3084 persons voted for the amendment concerning retirement system rates while 978 voted against.

Only three Randall County boxes had votes, the majority of which were against the pay raise for legislators. The absentee box, with a total of 77 votes, went against the measure by a vote of 45 against and 32 for. The box from precincts 1, 2 and 3, with 62 ballots counted, had 33 votes against the issue and 27 for. The box from precinct 4, with 44 votes, had 37 votes against and 7 votes for the issue.

Only the box from precinct 4 went against the issue on retirement benefits with 32 persons voting against and 12 persons voting for.

Both issues carried overwhelmingly in Canyon boxes, those for precincts 5, 6, 7 and 23.

The legislative pay issue passed in the city precincts by a vote of 583 for and 167 against while the retirement measure passed by a vote of 642 for and 105 against.

As of late Wednesday, it appeared both measures had also

City and county agree on plan

Rural fire protection pact is signed

Randall County and Canyon City commissioners officially accepted in separate actions Monday a fire plan which calls for the city fire department to have full responsibility for fighting fires in the rural county areas.

They also accepted a concurrent contract which provides for the exchange of services and an increased annual payment from county to city for the fire services.

"We've worked on this for many, many months," County Commissioner Paul Lindsey told other commissioners during an afternoon session, "and I think we've come up with what will be agreeable to the City of Canyon and all the other entities involved."

Commissioners and County Judge Woody Pond signed the fire plan, which Lindsey worked out with officials from Amarillo, Canyon, Happy, Bushland, Umbarger and Lake Tanglewood.

City commissioners signed the documents during an evening session after little discussion. They had voted their intent to approve the plan at a meeting earlier this month.

Commissioners of both entities signed two agreements Monday.

The Randall County Fire Plan proposed by Lindsey was the result of several meetings held earlier this year between officials from the various municipalities and townships in the county.

It calls for the Canyon Volunteer Fire Department to assume responsibility for fighting fires within the entire county area outside municipalities and other incorporated areas. The plan also defines those areas in which the various participants have first-response responsibility in fighting fires.

Under the plan, the Canyon department is coordinator of fire fighting activities in the rural areas and will provide back up or first call service on fires throughout the county.

The plan will be coordinated through use of a radio frequency and radio equipment furnished the Canyon fire department by the county.

The plan stipulates that the county will furnish a 5000 gallon water truck for rural fire use by the city.

County commissioners originally authorized Lindsey to approach the other entities about a possible coordinated fire plan effort after they became disgruntled over the per fire call fee charged by the City of Amarillo to fight fires in rural areas north of Hollywood Road.

Originally, Amarillo had charged a flat fee of $845 per call to rural fires — even for false alarms. This past fall, the city lowered the per call fee to $801.

The agreement signed Monday would limit the kinds of fires Amarillo would respond to. Under the agreement, Amarillo would not respond to car, grass or other small fires in rural areas.

The contract signed concurrently with the agreement Monday will be solely between Canyon and the county and provides for the exchange of services and payment of a fee by the county to the city.

Under the contract, the city will furnish to the county rural population the use of the sanitary landfill operated by the city northwest of Canyon. In addition, the city will furnish the rural fire service.

The county, under the contract, agrees to furnish jail facilities for city prisoners and dispatcher services for city police. The county also agrees to pay $20,000 this year for the fire service and landfill service. Last year, the county paid $18,000 for the services.

Lindsey indicated Monday he will begin to contact other participants in the rural fire plan for their approval. County Judge Pond was instructed by commis-

For service 'beyond call of duty'

Canyon's Mrs. Johnnie Gordon named top club woman in state

The "outstanding junior clubwoman of Texas" honor was bestowed on Mrs. Ronnie (Johnnie) Gordon of Canyon during the Texas Federation of Women's Clubs state convention in Houston.

Mrs. Gordon received her award from Mrs. William Westbrook, state outstanding junior clubwoman contest chairman from San Angelo, Wednesday, Arpil 23, during the convention.

A member of Heritage Woman's Club of Canyon, Mrs. Gordon's award is special recognition for service beyond the call of duty and lauds her leadership ability, personal committment to furtherance of clubwork and is a result of her exceptional service shown at the local level.

A charter member of the local federated club, Mrs. Gordon received the B.S. degree from West Texas State University in 1967 and has served both as a homebound teacher and as a physical education aide for the Canyon Independent School District. Her husband is an elementary math teacher at Rex Reeves Elementary School and the couple has three children, Kellie, 12, Leslie, 10, and Scottie, 6.

Nominated as "outstanding junior clubwoman" by her club, Mrs. Gordon was endorsed by the Top of Texas District, Texas Federation of Women's Clubs at the recent district convention. Nominees for the competition must have been a member of a state affiliated federated club for a minimum of three years. The club making the nomination must be affiliated with TFWC for four years before presenting a candidate for the competition.

As a member of Heritage Woman's Club, Mrs. Gordon has been involved in federated clubwork since the club was chartered here in 1969. She has held numerous club offices including the presidency in 1971-72. This past year, Mrs. Gordon was the chairman for a game night event which benefitted the Canyon Division of the Opportunity Plan at West Texas State University with more than $400 for student loans. The game night is an annual project for the Canyon City Federated Clubs Council.

Mrs. Gordon was also the 1973-74 co-chairman for the March of Dimes collection campaign with a record $1,121.73 being collected. In additiion to her local club duties, she has held numerous departmental offices for the district federated clubwomen and is presently the state junior conservation chairman.

New Canyon Athletic Director and Head Coach Deane Wright reported for duties here last week and goes through some preliminaries during an initial off-season workout for next year's Eagle squad members. Wright, a winning coach at Dimmitt, believes in the powerful wishbone offense, with passing a secondary consideration.

Vietnam veteran vows good ambulance service

A thrice-wounded Vietnam veteran, Richard Bertrand can empathize with the victims of pain.

Bertrand, who brought home three purple hearts after action in the Mekong Delta and Hue area, will be the first line of medical care for sick and injured in Randall County and Canyon next month.

Beginning May 1, Bertrand will open Canyon Ambulance Service.

Canyon City commissioners and South Randall County Hospital District board members voted Monday night to subsidize the ambulance service with $800 per month each to pave the way for the opening of Bertrand's office here. Randall County commissioners had earlier this month given their approval to the subsidy.

Bertrand, 28, a native of Floydada, will purchase the present ambulance and equipment from Schooler-Gordon Funeral Directors of Canyon. The funeral home, which had purchased the service when it assumed ownership of the funeral facilities from LaGrone Funeral Chapel, has given notice it will not operate an ambulance service here after May 15.

A two-year veteran of the war in Vietnam, Bertrand was a patrol boat captain from 1967 to 1969 and brought home a bronze star medal in addition to the three purple hearts.

During his four-year stint in the U.S. Navy, Bertrand was also in the medical corps stationed in Japan.

For six years before coming to Canyon, he was a fireman in Floydada, and also operated the ambulance and rescue unit for that city.

During his years as an ambulance operator, Bertrand has compiled training enough to be designated not only an emergency medical technician, but also an instructor for the Texas Fireman's Association,

(See SERVICE, Page 8)

There's more to it than meets the eye. Canyon Junior High students learned the art of kite flying earlier this week as their physical education classes turned into flying lessons. Unfortunately, not many of the soloists were successful.

Former bank president sues Roy Whittenburg

A former South Amarillo bank president has filed suit in district court here to seek $720,000 in income he alleges was lost when Amarillo financier Roy Whittenburg fired him.

Jack M. Huddleston, formerly president of Western National Bank, one of three Randall County banking institutions, filed the lawsuit in 181st District Court here against Whittenburg, the head of a prominent Amarillo family which at one time owned newspapers, television and radio stations and ranches.

Huddleston claims he is due about $720,000 from Whittenburg because Whittenburg breached a verbal contract concerning the bank presidency at Western National.

The original petition filed in district court states that in fall 1973, Whittenburg approached Huddleston and proposed that the two, along with the Whittenburg family trusts, purchase controlling interest in the bank "with the provision that (Huddleston) would evaluate, operate and manage such bank as the president and chief executive officer thereof."

As an inducement, Huddleston claims, Whittenburg assured him that he would "exercise his control over such trustees to determine and to control that (Huddleston) would be elected president, and would remain in such capacity.

"He further assured plaintiff that he would, and could, cause the trustees of the Ed Fagg Trust to exercise their voting powers in such manner so as to assure plaintiff of his continued management and operation of this bank," Huddleston alleges.

Specifically, Huddleston alleges, that Whittenburg told him that if he would purchase $58,000 worth of Western National stock and would assume the leadership of the bank, then Huddleston "would be president of the bank permanently. It was to be a 'career' job. He was to have the employment as long as he, plaintiff, desired, subject only to the performance of his duties."

With this understood, Huddleston claims, he entered into a contractural understanding with Whittenburg and purchased 4294 shares of Western National stock for $58,000 "even though such stock was quite speculative in value and in growth potential."

On Nov. 1, 1973, Huddleston says, he began employment as bank president.

"Plaintiff specially relied upon the agreement made by defendant Whittenburg and, except for such promises and assurances, would not have entered into the employment now described, nor would he have purchased the 4294 shares of stock in the bank," the petition says.

The petition claims Huddleston was a successful bank president — "the status of the bank, its outstanding loans, its cash

Man is charged in fed tax case

Canyon businessman T.S. Stevenson Jr. has been charged with failure to make income tax returns for three years.

Criminal charges were filed recently in U.S. District Court in Amarillo by U.S. Attorney Frank McCown of Fort Worth.

An information filed in the court of Dist. Judge Halbert O. Woodward lists three counts of failure to make an income tax return.

The first count alleges that during the calendar year of 1968, Stevenson had received a gross income of $99,249 but that he failed to file a tax return with the internal revenue service.

The second count alleges that during 1969, Stevenson received a gross income of $114,704 but failed to file an income tax return.

The third count alleges that during 1970, Stevenson received a gross income of $142,118, but failed to

COVERING FUMBLES

by Dean Mitch Jones

He is at heart a good man, a good citizen, and also a good thinker;—but too often he "pops off" irresponsibly and then thinks in that order.

by Troy Martin

FROM THE CANYON RIM

I am firmly convinced that the powers of the Internal Revenue Service must be curbed if we are to retain freedom in this country.

At present the IRS can harass the innocent into the poor house if it so desires. I don't think this happens often but the fact remains that it does happen.

Agents can arbitrarily summon me away from my work without recompense at a time they choose to a place they designate without paying me per diem expenses or mileage.

They can dictate their terms or hail me into court where, contrary to the constitution, I am guilty until I prove myself innocent. Innocent though I may be I still may have to sell the clothes off my back to pay attorneys fees and other expenses involved in fighting the case.

Even when I win in the lower courts I might not be through. The IRS agents without personal expense and still on the taxpayer payroll can go all the way to the Supreme Court if they want to do it.

Small businesses groan under the load of elaborate bookkeeping done solely for the benefit of IRS.

Income tax laws defy comprehension even by the learned. There are almost as many interpretations on some points as there are IRS agents, tax accountants and tax lawyers.

This country needs some real, across the board tax reform.

I have suggested before that income tax trials should not be tried in US District Courts where the plaintiff, the prosecutor and the judge all are federal employes.

Such trials should be held in the county in which the offense is alleged to have been committed and if the defendant is found innocent the jury should assess damages against the federal government.

* * *

Federal income tax laws must be reformed because they no longer have the broad support of the people.

They are not equitable and are written in such a way that they grind the middle class, this country's producers, into the very dirt while the very rich and the very poor pay almost nothing.

Of course the very poor can pay nothing as they have nothing to pay but I am sick and tired of the Rockefellers and the Kennedys dishing out my money on boondogle vote buying sprees while they get a free ride.

Income tax laws are not based on justice and undoubtedly will eventually incur the wrath of the people.

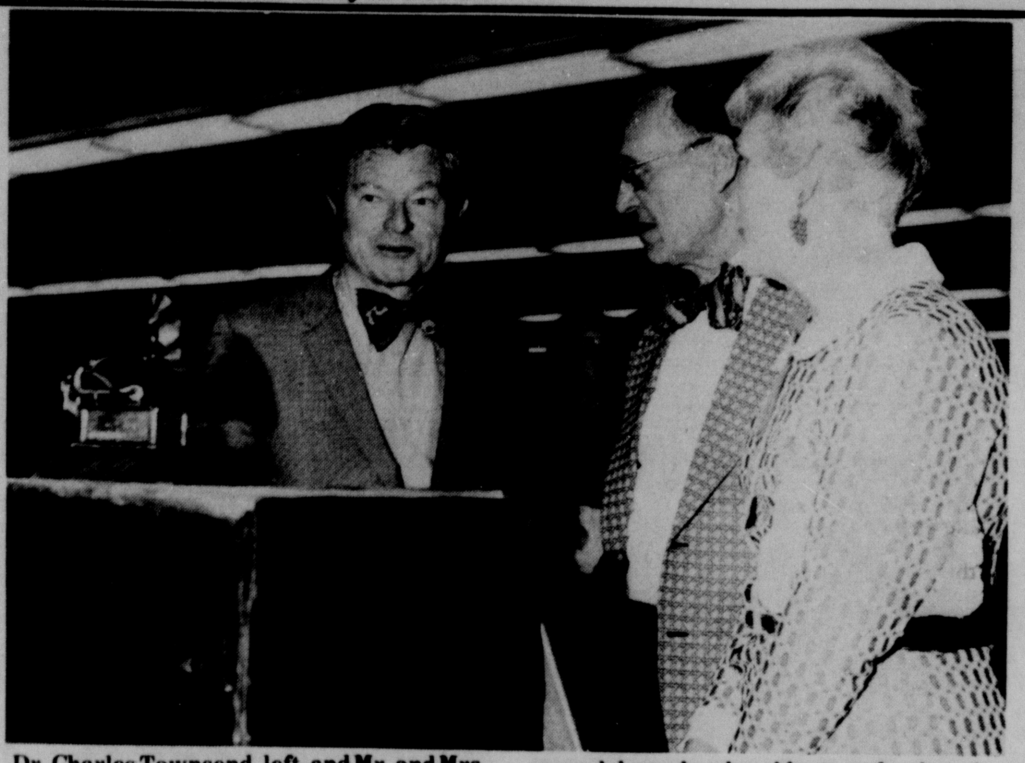
I hope those who govern will have the good sense to do something before this wrath is kindled to a flash point.

Trustees To Fill Slot

Randall County School Trustees will meet at 10 a.m. today to appoint either Don Marsh or Gordon Hendricks to the trustee position for a South Amarillo precinct.

The meeting will be in the office of County Judge Woody Pond, who is ex-officio school superintendent.

Dist. Atty. Randall Sherrod is expected to meet with trustees to tell them they must appoint either Marsh, the incumbent, or Hendricks, a challenger, to the board.



Dr. Charles Townsend, left, and Mr. and Mrs. Bud Parker of Canyon, admire the Grammy Award presented Townsend recently in New York ceremonies. The Parkers were among several dozen local residents and university officials who attended a reception honoring Townsend Tuesday.

Second Cable TV Proposal To Come

Canyon city commissioners have given two West Texas State University vice presidents about two weeks to present a formal franchise proposal for operation of a cable television outlet here.

Commissioners said Monday night they want a formal proposal from Dr. T. Paige Carruth and Hermas Miller by the first commission meeting in May. They said they will take up a franchise proposal from T.D. Austin of Amarillo for such a service during their second meeting of that month.

The deadlines were set Monday night after commissioners heard a formal proposal from Austin to operate a cable television company in Canyon.

Austin has presented a proposed franchise agreement which city officials have compared to a model franchise proposal worked up several years ago.

Carruth and Miller have indicated by letter to Mayor Manly Bryan that they intend to submit a franchise proposal at a later date.

Miller told The News last week he is not sure when a formal proposal will be ready for commissioners.

Austin, who proposes to form Canyon Cable TV, told commissioners Monday he will have a cable television operation constructed for 90 per cent of the city within one year after city approval is given to his franchise request.

He said it could take as long as nine months just to get approval of the franchise from the Federal Communications Commission.

Austin proposes to bring to Canyon cable television customers — who would be charged $6.95 per month for the service — an independent station from Dallas, an independent station from Fort Worth and an educational television station from Dallas. In addition, he said, cable channels would be reserved for the use of WTSU and Canyon High School. Another service he would offer, he said, would be an emergency system whereby civil defense officials could interrupt the audio portion of programming to give relevant warnings.

Austin currently manages two cable television systems in Kansas.

In other business Monday, commissioners approved a contract with Richard Bertrand for operation of an independent ambulance service in the city. Bertrand was approved for an $800 per month subsidy from the city.

Commissioners also approved a rural fire protection plan proposed by Randall County commissioners.

They opened and tallied bids for a new reporting system for Canyon policemen and awarded the contract to Lanier Business Products for $2733. The system will allow city police to make oral reports on incidents by telephone.

Commissioners went into executive session for 10 minutes before beginning their regular agenda. They did not announce the specific purpose of the meeting, only noting on the agenda that it was for the purpose of discussing personnel. No action was taken in open session as a result of the closed meeting.

ROTC's Annual Military Ball Set April 25

West Texas State University ROTC D Company, 15th Regiment of the National Scabbard and Blade Society, will host the Annual Military Ball for the Cadet Corps and invited guests beginning at 8 p.m. Friday.

The formal dance will be held in the WT Student Union Ballroom with music provided by the "Young Country."

Honored guest for the Military Ball is Brigadier General Robert Arter, who is the commanding general, Third ROTC Region, located at Fort Riley, Kansas.

Highlighting the evening's festivities will be the crowning of the Corps Sweetheart and her court at 8:45 p.m.

Women Superstar Events Saturday

The first annual women superstars event will be held Saturday, April 26, under the sponsorship of Lambda Chi Alpha fraternity.

The superstars event will feature such competition as tire rolling, bowling, inter tube races, 60 yard dash, basketball freethrows, and obstacle course events.

Contestants will be sorority women from the university with preliminary eliminations beginning at 10 a.m. in the Activities Center on campus. The main events will begin at 1 p.m. and prizes and ribbons will be awarded the winners.

The public is invited to observe the events for the women superstars at no charge.

Ninth Graders Finish First

Canyon's ninth grade track team won the "B" Division of the 1-AAA district track meet held Saturday at the WTSU track. The junior high thinclads won the meet with 159 points. Perryton was second with 124.

David McKay and Ronnie Dustman finished one, two in the 100-yard dash. McKay was clocked in 10.7 and Dustman was a blink behind with a time of 10.75.

Dustman also placed second in the 330-yard intermediate hurdles with a time of 41.2. McKay was also second in the 120-yard high hurdles with a time of 15.5.

In the mile run, Canyon won the first three places. Winning the event, Greg Hinders ran the four laps in 5:05. Second went to Ken Slagle's run of 5:05.8. Close behind was third place winner Terry Bye with a time of 5:09.4.

The mile relay team received first place points by covering the mile in 3:44.5. In the half-mile run, Steve Zanchettin ran the 880 yards in 2:06.8 to win second place.

The sprint relay team won first with a time of 46.6.

Kyd Kendrick's pole vault of 11-6 was the top height reached at the meet, but Kendrick had to settle for second place due to the most misses. One other Perryton vaulter reached the same height and had fewer misses.

Qualifiers from the Panhandle Junior High Athletic League's south zone meet that was held April 15 will be competing in district competition Saturday at the WTSU track.

News Brief

Former Canyon resident Jessie Rusk is reported to be recuperating at the Community Hospital in San Bernadino, California with a broken hip.

Possible Hospital Tax Hike Discussed

Board members of the South Randall County Hospital District indicated Monday night they may have to raise taxes to help pay the $800 per month subsidy they approved for operation of an independent ambulance service here.

Board members were cautious in their approval of the subsidy for Richard Bertrand's proposed Canyon Ambulance Service.

Administrator Ray Grimes said since the hospital district's tax rate is at a bare minimum — it now stands at 25 cents per $100 on 51 per cent of valuation — the only place from which funds could be taken to pay the subsidy would be an increase in taxes.

Grimes estimated the increase might amount to about three cents per $100 valuation.

Approval of the subsidy was given by the board contingent on an okay from the board's attorney.

Both Randall County and the City of Canyon have given approval to the subsidy program.

In other business Monday night, board members approved an insurance program presented by Canyon Agent Cary Magness.

The full program, which covers liability, workmens' compensation, fire, boiler, accounts receivable, and others, will cost the district about $11,000 per year, according to Grimes.

He said a big increase comes in the liability insurance area, which has a rise of about $4000 this year. That increase, he said, is due primarily to an extension of coverage over the coverage available to Neblett Memorial Hospital. He said the actual rate to figure the insurance cost for liability has not risen significantly.

Final payments were authorized Monday night to the architect and contractor on the construction project for the new Palo Duro Hospital, now operated by the district.

The architect firm of O'Connell, Zelsman and Probst of Austin has worked for more than two years on the construction. Reid and Gary Strickland of Amarillo were contractors for the job. The new hospital opened in late January.

Board members held off on approval of a landscaping program for the hospital grounds due to the cost estimates for the project.

Board members voted to retain for another year the officers who served last year. They are Mrs. Lois Hull, president; Vernon Harmon, vice president; and Mrs. Nolon Henson, secretary.

Next meeting of the board will be May 26.

'Man of the Year' Named

West Texas State University senior Larry Oldham of Shamrock was given the "Student Man of the Year" Award at the annual Phoenix Club banquet on the WTSU campus Tuesday.

Oldham, nominated by Sigma Phi Epsilon fraternity, is a member of the Accounting Club, Block and Bridle, T-Anchor and the Rodeo Club. He has also received an accounting scholarship and has been on the dean's list.

While taking 15 to 19 hours of college work per semester, he worked 40 hours a week for the University's Maintenance Department. Oldham will work for Peat, Marwick, Mitchell and Co. accounting firm, after graduation in May.

The accounting major was selected for his participating in all facets of University life as well as his scholastic abilities. In recognition of the award, he received an engraved pen and pencil set and a commemorative buffalo statue.

Frank Heflin, history professor at WTSU, was given the $1,000 Faculty Excellence Award for outstanding teaching by the Phoenix Club membership.

Buffs To Run At Wayland

Canyon, Texas — West Texas State will be going after its third straight team title in the Wayland Baptist Invitational meet set for Friday evening in Plainview.

Coach Bob Kitchens' team won the 1973 and '74 editions of the meet, and must rank as at least a co-favorite for this year's title with Texas Tech.

The Buffs are coming off their best performance of the season with their win in the WTSU Invitational last weekend. The team lowered 13 individual season bests in piling up 111 points to Tech's second place total of 61½.

"We think we have a real good chance to win this meet, too," Kitchens said of the 10-team field at Plainview. In addition to WT, teams entered include Texas Tech, Lubbock Christian, McMurry, Eastern New Mexico, New Mexico State, Dallas Baptist, Western New Mexico and host Wayland Baptist.

Joseph Tiony, George Fuller and Robert Dennis will lead the WT entry after posting double wins last week. Tiony won both the mile (4:12.6) and 880 (1:54.7), Dennis won the 100 (9.8) and 220 (21.5), and Fuller had season bests in the long jump (22-6⅝) and the triple jump 45-10¼).

A SUSPENDED GOLDEN CROSS highlights the sanctuary of the newly opened First Christian Church at 2011 4th Avenue. The congregation held its first services at the new churchsite last Sunday, April 20.

Christian Church In New Facilities

Canyon's "newest" church was born on the frontier as one of the city's first churches during an era where baptismal services were conducted in creeks or in horsetanks.

The newest church home in Canyon is owned by the First Christian Church congregation and first worship services wer econducted in the sanctuary last Sunday morning, April 20. The church is located at 2011 4th Avenue and the congregation totalled 172 this month as Rev. Terry P. White, pastor, conducted the first services at the new site.

Rev. White, who has pastored the church here for 1½ years, noted that the former home of the Central Church of Christ congregation was obtained by the First Christian Church for an outlay of $38,000, the former church site at 1719 5th Avenue, and a parsonage.

After acquiring the church building, the First Christian Church congregation has spent approximately $39,000 in remodeling thus far with an estimated $4,000 remodeling project to begin soon on a fellowship area. Remodeling construction of the church sanctuary, which seats 275, was handled by H. Root Company of Canyon and local congregation members, directed by Mrs. Don Sheets, have remodeled, painted and made ready the education classrooms of the church.

The new home of the First Christian Church has ten classrooms, a church library, children's assembly room, choir room and bridal dressing room,- with offices for the church secretary, Nadina Baird, and the pastor, Rev. White. The choir for the church is directed by Donald R. Baird, minister of music, and other church positions are held by Theresa Root, as church caller, and Marion Higdon as the bookkeeper.

Remodeling is soon to start on adjoining church facilities which will be finished as a kitchen and fellowship hall area to acomodate youth meetings and scouting efforts sponsored by the church. The building to be renovated for this purpose is located just west of the church.

Another project yet to be completed in the church is a "Heritage Chapel" for small receptions, weddings, women's group meetings, and other purposes. The chapel and fellowship hall are both expected to be complete in early June and the church will conduct dedication services upon total completion, according to Rev. White.

When the First Christian Church congregation held its first services on April 20, 1975 it was the ending of one era and the beginning of another for the local congregation which held its earliest services in the early 1900's with Brother H.M. Bandy coming once a month for preaching at the Baptist Church.

Early settlers who were charter members of the congregation formerly held monthly meetings in the old Victoria Hotel and in the courthouse. Then when the Presbyterians built their church, the Christian Church people met with them until they could build their own facility. The congregation met at a wooden church site in the 900 block of 5th Avenue until 1930 with the exception 1914-1921 when union services were held with the Presbyterians. Ministers service the church prior to the razing of the wooden building in 1930 were Jessie B. Haston, J.S. Stockard, S.T. Shore, John D. White, J.J. Hutchison, J. Wilburn Rose, M.L. Howard, E.A. Osborne, M.H. Terry, Ed S. McKinney and A.K. Scott.

The second church home was a brick and mortar facility at 1719 5th Avenue which served the local congregation for 45 years. Ministers serving the church during this period include A.K. Scott, 1930; L.R. Hudson, 1931-33; C.S. Marsh, 1935-36; C.L. Wilson, 1937-38; G.L. Messenger, 1939-41; Joe Findley, 1942-47; Weems S. Dykes, 1948; Win R. Matsler, 1949-56; G.C. Findley, 1957; Dale M. Harter, 1959-64; Charles Meredity, 1965-68; Ivan Adams, 1968-73; Ross Allen (interim) 1973-74; and Terry White, 1974- -.

The church with adjacent Education Annex facility on Fifth Avenue were a part of the business transaction with the Central Church of Christ in 1974 and this churchsite is now being considered as a future meeting site for Canyon's Senior Citizens organization.

The current phase of the First Christian Church's history began in 1974 when the church purchased the facilities at 2011 4th Avenue in time for a trade of parsonages.

Rev. Terry White, minister of the First Christian Church in Canyon, is sorting his office books as the move into the new church home is completed.

Mission Held

By REBA RAEF

THE MISSION, WHICH was held last Sunday, Monday and Tuesday was well attended at both the morning and evening services. Father Perone, who conducted the Mission was an eloquent and witty speaker and we enjoyed his sermons very much.

* * *

LEWIE AND I attended the district 1-AAA track meet last Saturday, which was held at West Texas State University. We enjoyed all of the events very much even though we both came home with sun burned faces. We wish all the athletes much luck in the regional meet in Odessa next Saturday.

Mr. and Mrs. J.G. Batenhorst are great-grandparents again. Charles and Debbie Batenhorst of Canyon have new little twin daughters. They arrived April 21, at Palo Duro Hospital in Canyon. They are both 19¾ inches long and one weighed 5 lbs., 14½ oz. and the other weighed 6 lbs., 2½ oz.

Their paternal grandparents are Raymond and Catherine Batenhorst of Canyon and their maternal grandparents are Mr. and Mrs. Robert Mitchell of Amarillo. Their maternal great-grandparents are Mr. and Mrs. T.O. Bell of Tucumcari, New Mexico and Mrs. May Hamner of Bonham, Texas.

They join one brother, Jamie. Our congratulations to the parents, grandparents and great-grandparents.

NEXT TUESDAY, APRIL 29th, the Knights of Columbus will sponsor their monthly Chairty supper in the parish hall. Sylvester and Elsie Batenhorst and the E.N. Reinarts and the H.P. Arthos will help them. So, all you fellas bring the family out for supper and help the Children's Home in Panhandle at the same time.

* * *

OUR SYMPATHY TO Mrs. Bill Gerber, whose uncle, John Stork of Nazareth died last Saturday. Funeral services were held last Tuesday in Nazareth.

* * *

CALL ME AT 499-2164, with your news items. Reba.

Haws Have Daughter

Mr. and Mrs. Willis C. Haws of 1003 3rd Avenue, Canyon announce the April 16 birth of a daughter, Lawana Marie, who arrived at Palo Duro Hospital in Canyon weighing 7 pounds, 12½ ounces and measuring 20½ inches at birth.

The infant's father is a biology major at West Texas State University presently seeking the master's degree. The mother is employed with Panhandle Plains Historical Museum in Canyon.

Awaiting the baby's birth were two brothers, Willis, Jr., 3½, and Kayle Lamar 1½.

Maternal grandparents are Mr. and Mrs. Rue L. Hunt of Snowflake, Arizona and the paternal grandparents are Mr. and Mrs. C. L. (Buzz) Haws of Eagar, Arizona.

The baby was named for the two grandmothers and also has three great grandmothers and two great grandfathers living.

Along the E-Way

Doris Sims Returns From Trip

By DORIS MCKEE

LETS GO WITH a new week and the goings on around this area.

* * *

JEWEL HUNEYCUTT SAID she has been very busy this week but not with news items for the column. She was at the Holiday Inn West last Friday and Saturday teaching classes for World Book. On Monday night they were at a sales meeting for World Book. They have these meetings every three to six weeks.

* * *

JAY HUNEYCUTT IS playing major league baseball this summer. They are already practicing and now have their game schedules set. James Don will play minor league.

* * *

MRS. TRESSIE LESLY'S brother, Howard Jennings, is feeling better each day. He is still at the Lesly home.

* * *

SEEMS A COUPLE of very proud great grandparents, Mr. and Mrs. J. S. Pierce of Tyler, Texas were here over the weekend to see the new great grandson Micha Reed Brooks. The Pierces are the parents of Bill Butler. Also Bill and Helen's daughter, Sandra of Lubbock, came home to spend the weekend visiting the Pierce's, who are her grandparents.

* * *

I LEARNED THAT Evelyn Delashaw spent last week in Amarillo taking care of her grandchildren, while Sue went to Vale, Colo. on a ski trip. Evelyn did have her bridge club come in at Sue's. Also learned that she slipped and fell, hurting her back. She is feeling better now.

Seems Tom had an exciting project last week of taking care of a couple of new calves.

* * *

HAD A VERY nice conversation with Shirley Scroggins this week. The Scroggins family are relatively new to this area. They have been here about six months, coming from Arizona. Shirley said they like it here and think the people are very friendly.

Their family consist of Shirley and Lloyd and four children, Brenda, Brett, Brion and Charles.

Brenda celebrated her fifteenth birthday on April 11th with a slumber party of about 9 girls. Brenda likes to babysit, so if you need a sitter give her a call.

Lloyd has just returned from a two week trip to Olan, Belguim. It was a business training trip. He will be with the new Copper Refinery here in Amarillo.

* * *

TALKED TO OLETA Jones. She said they were pretty good this week. She and Sherman had a virus but are OK now. On Saturday they attended a dinner at the Ramada Camelot Inn. It was the Amarillo Indoor Sport Club. This is an activity for the physically handicapped.

After dinner they had the new officers installation. Sherman is 1st vice president and Oleta is treasurer.

On Sunday the Jones family went over to Lake Meredith to check out their trailer. Seems they had a plumbing problem, which they took care of. Now everything is ready for weekend trips, just as soon as the weather will permit.

* * *

CALLED DORIS SIMS and learned she had just returned from a marvelous trip. She, her mother Bertie Renfroe, a son, Harvey Sims and a grandson Keith Howing took a 10 day visiting and sightseeing excursion. They were in Dallas for the Ceramics show. Doris works in ceramics.

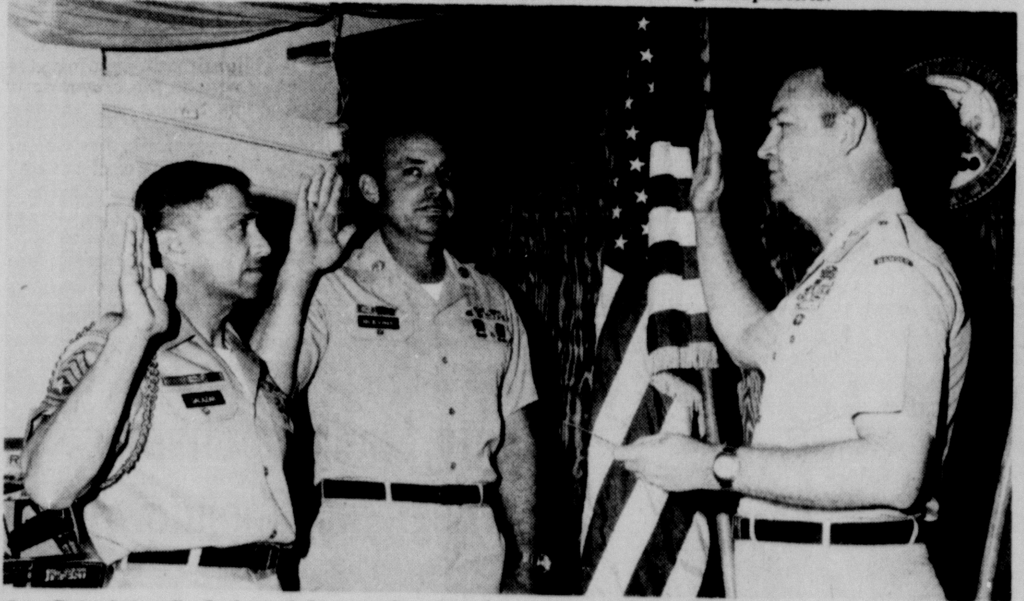
From there they went to Austin where they saw the state capitol and other points of interest. Then on to San Antonio and some sightseeing. They also visited Padre Island and Port Isabel.

They visited Bertie's sister, Mrs. R. E. Gifford in Edinburg. Then over into Rio Bravo and Old Reynosa Mexico. All in all, Doris said it was a very relaxing and most enjoyable trip.

* * *

TIME TO SIGN off for this week.

Call Doris McKee at 355-4133.



Lt. Col. John B. Luke, right, professor of military science at West Texas State University, gives the oath of enlistment to Sgt. Maj. Pedro J. Salazar, left, and SSgt. Howard F. Blevins, center, during ceremonies Friday on campus. Both men are Vietnam veterans and have seen duty in other parts of the world. They re-enlisted for three years each. Salazar has served 26 years and Blevins has served 16 years.

Drama Due On WT Stage

"Cat on a hot tin roof," Tennessee Williams' Pulitzer prize-winning drama, will have a four-performance run in the Intimate Theatre of the Fine Arts Building at West Texas State University. Performances will be given Thursday, Friday and Saturday and Sunday at 8 p.m., according to Don Washburn, director.

A presentation of the Intimate Ensemble Company, the production is sponsored by Buffalo Masquers and Alpha Psi Omega. "Cat on a hot tin roof" is one of the most potent of modern American plays by the most talented of American playwrights," notes Washburn. Admission to the play will be $1 per person.

Case in the pivotal role of Brick is Randy Clements' Katherine Schmidt portrays his wife. Domineering "Big Daddy" is played by Matt Ohmes, "Big Mama" by Cloetta Benge. Pamela Hurst and Jeryl Hoover act the parts of "Sister Woman" and "Brother Man," and in-laws whose fecundity shames and torments Brick's childless wife. Joe Anderson fills the role of Rev. Tooker; Heath and Britten Benge and Scott McKenzie portray the "no-neck monsters" — part of Sister women's brood of offspring.

Technical director for the production is Ron Williams; lighting is by Gary Daniels, and set construction is by Terry Wilkes.

Funeral Rites For O.A. Smith Are Thursday

Funeral services for Oscar A. Smith, 78, are scheduled today, April 24, at 10 a.m. at Calvary Baptist Church in Canyon with Rev. James Hancock, pastor of the First Baptist Church, officiating. Burial will follow at Dreamland Cemetery.

Mr. Smith, a retired farmer, died Monday, April 21, at Palo Duro Hospital in Canyon. He was born at Gip in Indian Territory November 21, 1896 and had lived in Randall County since 1926.

Until his retirement ten years ago, Mr. Smith farmed northeast of the city. Funeral arrangements are being handled by Schooler-Gordon Funeral Directors of Canyon. Pallbearers will be Clem Dugan, Ralph Ruthart, Earl Reynolds, Johnny Parker, William B. Davis, and A. J. McCarley.

He is survived by his wife, Minnie of 2420 11th Avenue; two daughters, Mrs. Lorene Nichols of Lemon Grove, Calif. and Mrs. Lucille Cox of Roswell, New Mexico; two sons, Melvin Smith of Dallas and Dr. Lowell Smith of Wheaton, Maryland; a brother, Claude Smith of Flagstaff, Ariz.; a sister, Mrs. Ruby Pierce of Oklahoma City, Okla.; 11 grandchildren and 8 great-grandchildren.

Rx
HOW MUCH IS GOOD HEALTH WORTH?

Of course it is priceless. Ancient monarchs offered half their kingdoms for a cure when sick and usually failed to get relief.

But, good health cannot be acquired by money alone. Your body often needs help. Pain or discomfort are its warning signals. If you answer this request for assistance by consulting a physician quickly for expert help, the odds are you will enjoy a healthier life.

Sue Hite Club Celebrates Golden Anniversary

A Golden Anniversary celebration honoring Sue Hite Club's fiftieth year of federated clubwork was held Saturday afternoon, April 19, at the Baptist Student Center, 2500 4th Avenue.

About 100 were present for the afternoon including club members of the honored club, and other guests from the University Study Club, Canyon Study Club, Woman's Book Club, Heritage Woman's Club and the Les Amies Juniorette Club.

The Top of Texas District's president, Mrs. David Britt of Wheeler, stopped enroute to the state convention of the Texas Federation of Women's Clubs at Houston to make a guest appearance at the anniversary event.

Special guests for the afternoon were Mrs. Thomas (Addie Jean) Shriver of Nashville, Tennessee and Marion Hill of Borger. Both women recalled role which their mothers had played in the early stages of the club's history. Mrs. Shriver is the daughter of the club's founder, Mrs. J.S. Humphreys, for whom the club was named. Mrs. Shriver also presented a $25 donation to the club's project fund at the event.

A mail-a-gram recognition for the club came on behalf of 100,000 federated clubwomen throughout Texas from the state TFWC president, Harriette Williford Whatley, in recognition of the club's continued service and projects.

The afternoon tea hour was opened with a collect led by Kitty Foster and included group singing of the club song "Love and Grow" led by Donna Wilson with Addalene Barker accompanying at the piano.

Former district president, Jo Carol Lindsey of Canyon, presented the afternoon's special program on "Looking Forward After Fifty Golden Years of Federation" as she spoke to the group.

Virginia King Allen, current president of the Sue Hite Club, extended special recognitions to Mrs. Lindsey for her past service as district president and also to Lila Gay Vars, a past district president and current state treasurer for junior federated clubwomen. Mrs. Allen also extended congratulations on behalf of the Sue Hite Club to Mrs. Ronnie Gordon as Mrs. Gordon's resume was being considered for the "outstanding junior clubwoman of Texas" distinction. A past outstanding junior clubwoman, Harriet Brandon, was recognized for her honor and commended for her current position as junior district director.

Mrs. Allen also commended Mrs. Lloyd (Mary) Watkins, wife of the West Texas State University president, for her role in leading a campus beautification project here.

Congratulatory floral tributes were presented to the honored club by the First National Bank and the Canyon Girl Scouts, which were originally organized here under sponsorship of the clubwomen.

The reception rooms were decorated with "hats" and "hatboxes" for the occasion as refreshments were served by the current club president, Mrs. Virginia King Allen, and Mrs. Hud Prichard, second president of the club. Hostess committee for the afternoon were Ruth Henson, chairman, Eunice Haggard, Maudie Laycock, Lee Reeves, Addalene Barker and Ermyle Cooper.

Pre-celebration research and planning was handled by Lois Prichard, chairman, and her committee consisting of Margaret Cole, Kitty Foster, Zoe Henry, Audrey Jones, Lenna Parker, Alma Perkins and Edith Priddy.

In revue of historical accounts, Mrs. King noted that the club was originated at a meeting in the home of Mrs. John S. Humphreys (Sue Hite) on September 14, 1925 and upon organization sought and attained federation with the city and state federation of womens clubs.

The club was originally named the Junior Woman's Club and in 1939 when the club became affiliated with the General Federation of Women's Clubs the name was changed to the 1925 Culture Club. The club was active as the 1925 Culture Club for only one year before seeking a name change to become the Sue Hite Club, a name which honored the founder.

HERE FOR SUE HITE'S golden anniversary celebration on Saturday was Mrs. Thomas (Addie Jean) Shriver of Nashville, Tenn., the daughter of the club's founder — Mrs. J.S. Humphreys. Mrs. Shriver, seated, was a houseguest of Mrs. Irby Carruth, right, and is shown visiting at the Carruth home with Virginia King Allen, current president of the women's federated club.

Secretary Of Year Seminar Guest

The "International Secretary of the Year - 1973" will be the guest speaker for a Secretarial Seminar to be held Saturday, April 26, at Room 202 of the Activities Center on the campus of West Texas State University.

The Business Education Department of WT will sponsor the seminar where Melba B. Ernest, CPS will be addressing area secretaries.

Mrs. Ernest, former Secretary of the Year at the International level, is the executive secretary to W. J. Lyons, Sr. the general manager of Bill Lyons Company food brokers in San Antonio. She has been employed with the company for seven years and is married to Robert T. Ernest, equipment supervisor of the Texas Highway Department. The Ernests have four married children and seven grandchildren and have a ranch where she spends time as a "cowgirl" in addition to enjoyment of travel, singing, playing piano and attending opera.

Representing NSA's Southwest District, Mrs. Ernest achieved the CPS (certified professional secretary) rating in 1967 and is working toward a degree at San Antonio College. She is listed in "Who's Who in American Colleges and Universities" and was named as San Antonio's career woman of the day in both 1966-67.

ZTA Alums Elect Officers At Meet

Mrs. Glenn Dowlen was elected as president of the Zeta Tau Alpha alumnae chapter at a meeting Monday evening, April 21, in the home of Mrs. Stan Elliott.

Mrs. Ronnie Mankin, current president, was in charge of the business meeting as the group elected officers. Others elected for the coming term were Mrs. Jerry Behrens, vice president; Mrs. Robert West, secretary; and Mrs. Joe Gill, treasurer.

Guests at Monday's meeting were the senior actives from Delta Eta chapter at West Texas State University.

Gene Howe News

By KAROLYN FARMER

YES, VIRGINIA, WE really do have spring in the Panhandle. Oh, I know you're still wearing your winter coat occasionally and the wind and dirt are wrecblame you for being a little skeptical.

But just keep on reading and I'll prove to you that spring has truly arrived — at Gene Howe, anyway.

* * *

Troyce Mulherin Named District PTA President

THE PTA EIGHTH District Spring Conference was held April 15th in Phillips, Texas and Gene Howe was very well represented. Ernestine Harp, Luther Lawless, Troyce Mulherin, Sandra Wait, Jackie Mayfield, Sarah Edwards, Gwen Sellers, Glenna Schmidt, Georgia Sorrells and I attended the meeting.

Election of new officers for District 8 was held and Troyce Mulherin will serve the next two years as Vice President representing Oldham, Potter, Deaf Smith and Randall Counties.

Of course, you know by now what a talented and dedicated lady Troyce is; and we're very proud to have one of our own people serving in this important office.

Troyce has made an immeasurable contribution to Gene Howe through her service as PTA president and in other local PTA offices. For several years her column was the first thing all of us turned to in the Canyon News. And her many hours of hard work as chairman of the 10th Anniversary festivities was a major factor in its success.

It's been such a pleasure working with Troyce at Gene Howe. And since she's not the type to "toot her own horn," I just had to do a little "tootin" for her.

* * *

WE HAD TO go all the way over to Phillips to meet Sandy Morgan who was representing Rex Reeves School. Sandy and I happened to sit next to each other at one of the workshops. She introduced herself and said she recognized me from my picture in the Canyon News (which was a dubious compliment).

We're looking forward to seeing Sandy and other Rex Reeves PTAer's again at future meetings.

* * *

SPRING IS SUCH a lovely time for a wedding, and evidently one of the sweetest, loveliest people we know agrees.

Louise Bromley, our school secretary, became Mrs. Jim Dickerson on April 17th in Alamogordo, New Mexico. Louise and son, David, will stay on at Gene Howe until school is out and then will move to Alamogordo.

Everyone at Gene Howe will miss them both. But we wish them much, much happiness, and they'll certainly take a lot of our love with them when they go.

* * *

SPRING IS NOT the only thing that has arrived at the home of Mr. and Mrs. Harold Knight. On Tuesday morning, April 15th, they were blessed with a beautiful baby boy, Kelly Michael, who began life at a healthy 8½ pounds.

Mary Knight is our assistant P.E. teacher. She also has been in charge of the bus children in the mornings before school begins. Mrs. Laramore, who took over that part of her job, visited Mary in the hospital and brought her a lovely handmade card signed by all the bus children.

Jeff and Jay Knight are little Kelly's big brothers. Proud daddy Harold is a teacher at Bushland.

* * *

GEORGE AND HELLEN Schmidt are the happy parents of Kaki Jeanne, who was born Sunday, April 13th. Kaki weighed 7 pounds 7 ounces at birth. And Daddy says both mother and daughter are "doing great."

George is well known around Gene Howe, having coached the 6th grade girls softball teams for many years.

Leonard and Glenna Schmidt are Kaki's uncle and aunt.

* * *

MARK LAWLESS HAS given his proud father even more reason to "brag" about his accomplishments. Mark is a student at Baylor and was recently featured in an article in the Waco Tribune-Herald.

Baylor participated in the annual Texas Relays in Austin. And Mark, running as anchor man in the two-mile relay, finished a very close race in first place.

Mr. Lawless was "under the weather" and couldn't attend the Texas Relays; but he's really looking forward to seeing Mark race in Lubbock later this spring.

* * *

MRS. B. B. CAUDLE was recently honored by her friends and neighbors with a surprise birthday party. Mrs. Caudle, who has lived on Arden Road for the past 13 years, celebrated her 78th birthday on April 10th.

Mrs. Gene Davis, Mrs. W. Y. Presley and Mrs. Wayne Hawkins served as hostesses for the luncheon in Mrs. Davis' home.

Mrs. Caudle was particularly delighted with the beautiful pink birthday cake and decorations and the centerpiece of pink long stemmed roses.

Others who attended were Mrs. J. C. Duling, Mrs. H. N. Wheeler, Miss Bennie Lee Cuppel and Mrs. Glenn Laing.

* * *

MRS. PORTIA TILLINGHAST is still teaching a first grade class at Gene Howe. (Last week I tried to move her to the 2nd grade.)

Mrs. Tillinghast's room is really delightfully decorated to capture the attention of her students. One bulletin board features a cute moppet-type character protected from the April showers by a big green umbrella. The days of the month for April are written on smaller umbrellas to form the calendar.

We really have some artistic first graders in our school. One wall of the room was lined with pictures of lovely trees blooming in bright shades of red, pink and yellow.

A real "eye-catcher" is the bulletin board featuring a big golden lion and the words "Something to Roar About." Mrs. Tillinghast changes the theme of this particular area from time to time, but it is always used to display the good work done by the children.

I was really interested in a round table in the corner with head phones at each chair. Mrs. Tillinghast explained that a small group of the children can come to the listening table and listen to records either as a part of their studying or perhaps to just enjoy a fun story.

Part of the time I spent with the first graders was during their P.E. period. Rickey Smith is our very capable P.E. instructor, and this past week Glenna Schmidt has been subbing for Mary Knight as assistant P.E. teacher.

Because of the fierce wind the kids were confined to the cafeteria. They began their P.E. time with some vigorous calesthentics and then had an exciting relay called the "Car Race." The boys and girls named their own teams and were the "Hot Rods" and the "Dune Buggies."

After P.E. we went back to the classroom and I listened as the children read the creative writing papers that they had written that morning.

They were all just precious and the children showed a lot of imagination (which we all know 1st graders are famous for).

Mrs. Tillinghast explained to me that when they do creative writing their spelling is not graded, but they are simply encouraged to write what they think about a certain subject.

The subject for the day was "If I Were Magic." I know you'll enjoy reading what some of them had to say:

Melanie Arnett said if she were magic she would "make a bunne came out form a hat," and she "wood make the peple riech."

If Todd Wilcox were magic he "wood mace a dade flower trne alive."

David Ashley observed that, "If I were magic I could fly wereEver I wont to go and I would go to the liak."

If Teis Reiser were magic she would, "help pour pepol beckas I cer for them."

I told you it was really spring — and one wall of Mrs. Tillinghast's room proves it. The words "April Showers Bring May Flowers" were surrounded by fluffy clouds dropping little raindrops on the colorful flowers made by the children.

This is Mrs. Tillinghast's first year as a 1st grade teacher, having taught kindergarten before. She told me she loved working with little ones, and it's obvious the children love her.

* * *

BOB HULSEY, RONNIE Holt and Dave Coronado went on a big fishing trip recently to Amstaad on the Mexican border. It must have been successful because their families are still eating fish.

* * *

MR. DOUG MCCAUSE and part of his choir students from C.J.H.S. visited Gene Howe last Friday and sang for our 5th and 6th graders.

Many of those who came are former Gene Howe students. Jana Brooks sang a solo and Terry Miller, Perry Foster and Larry Brown performed as a trio.

Margie Phillips was really delighted that they could visit and encourage our kids to join the choir. And it was obvious that they enjoyed seeing Margie again, too.

* * *

EVERYONE AT GENE Howe was really sorry to hear that Mrs. Paul Quintana recently suffered a heart attack. Mrs. Quintana is in High Plains Baptist Hospital in Amarillo and her condition is listed as continuing to improve. However, it's not known how long she will have to remain hospitalized.

Paul Quintana has worked as a custodian at Gene Howe.

* * *

DAVID DAVEE, SON of one of our cafeteria workers, Mary Davee, broke his leg this past week while "popping a wheelie." David is a student at C.H.S. and returned to school this week wearing a full leg cast.

* * *

JIM RILEY, HUSBAND of Kay, has been in St. Anthony's Hospital this past week for knee surgery.

* * *

MEMBERS OF THE Gene Howe PTA Board for next year attended a Leadership and Parliamentary Course this past Monday. The course is an important part of the preparation to serve as PTA officers and was held at the School Administration Building in Amarillo.

Attending were Sherry Cates, Sarah Edwards, Phyllis Hicks, Doris McKee, Sandra Wait and I. Troyce Mulherin also re-took the course. (No, she didn't fail it the first time — she's just very conscientious.)

* * *

SHEILA HICKS IS still swimming up a storm. She and her family traveled to Dallas this past weekend where Sheila swam in the Texas Championship swim meet.

Sheila's team did well in both the 400 medley and 400 free relays. There were 575 entries in the statewide meet.

Johnny, Phyllis, Karol and Sheila Hicks, along with Kathy Mardis of Canyon also took in Six Flags before heading back home.

* * *

THE 3RD AND 4th grade girls track team ran in the Golden Spread Tournament sponsored by the ABC Club of Amarillo last week. Teresa Davis is the team coach.

* * *

THE ANNUAL SCOUT-A-RAMA took place this weekend in Amarillo and was attended by many boys and parents from our area.

Preparations began for Pack 130 Friday night when leaders and parents met to decorate their booth and float for the big event. Charlotte Kennon, Rita and Jerry Erdman, Mary Jenson (who reportedly did some fantastic art work on the float), Billy and Sarah Edwards and Bill and Pat Seth were present for the preliminary work.

Saturday morning the boys took part in a gorgeous parade riding a float entitled "Nature — Our American Heritage." The truck which the boys rode was provided and driven by Dennis Wilsford.

Sherry Cates was in charge of the entire parade this year, and we hear she did a fantastic job with a wide variety and more entries than ever in the parade.

The parade concluded at the Civic Center and the Scout-A-Rama officially began.

The Webeloes group led by Billy Edwards made puddle jumpers and sling shots.

Den 2 led by Jo Bruffett and Evelyn Foster made potato printing, paint blotches and seed pictures.

Den 5 led by Charlotte Kennon, Pat Seth and Sarah Edwards made birdhouses, painted rocks and planted seeds.

Den 3, whose leaders are Betsy Hughes and Rita Erdman, made seed pictures.

Pack 130's float didn't win a prize in the parade but they did win the first place trophy for their booth. Cubmaster Jim Bruffett accepted the trophy on behalf of the entire pack.

Boy Scout Troop 112 did some sharp marching in the parade to gain the first place troop award.

John McDaniel sold 105 tickets to the Scout-A-Rama and participated in a drawing for a mini-bike with seven other boys who had sold over 100 tickets.

Mike Hughes won $10 in one of the drawings for prizes and Lynn VanLandingham won a watch.

Special thanks go to Clarence Bass, Jr. who helped take down all the exhibits, etcs., and to Mary Jenson and Zel Myers for their extra help.

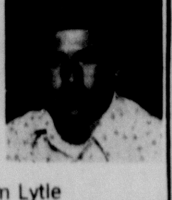
Also all the leaders and the boys are especially appreciative of the parents who did so much to help make the event a success.

* * *

PLEASE MAKE IT a point to call me this week. This reporter doesn't have much to write about if there aren't any "reportees."

And besides, I might hear about you secondhand and spell your name wrong.

TEXAS TALK



By Tom Lytle

Grass-Fed Beef vs: Grain-Fed Beef is one of the most often discussed topics of the agricultural industry. Maybe **Texas Talk** can clear the air a little. The only difference to the consumer is quality. What does quality mean? In this particular comparison, the sense of taste is the absolute test. Most of us have become used to the flavor of grain-fed beef, therefore it tastes better than meat from grass-fed cattle. This difference in taste is created primarily because of the absence of intramuscular fat (marbling) from the cuts of grass-fed beef. For this reason the meat is graded lower than grain-fed. One of the key ways to tell the difference at the meat counter is to look for USDA Choice or Prime grades. Virtually all these cuts will be from grain-fed cattle. Grass-fed meat may carry an identifying store name such as "Baby Beef", "Economy Cut", or "Budget Beef". Appearance and nutrition value of the meats are essentially the same.

Secretaries 'Boss Night' Banquet

The annual "bosses night banquet" for Tierra Blanca chapter of the National Secretaries Association, International which includes about 25 Canyon-Hereford area secretaries will be held tonight, April 24, at the Country Club in Hereford.

Banquet festivities are a part of the local observance of "National Secretaries Week" as the chapter here will recognize their "Boss of the Year" and "Secretary of the Year" during the evening. The event begins at 7:30 p.m. with local secretaries, their bosses and other invited guests participating.

Earlier this week, the Tierra Blanca chapter held a Secretaries Day luncheon Wednesday for chapter members and guests from the Future Secretaries Association at West Texas State University.

The group began the week with joint attendance at the First Presbyterian Church of Canyon on Sunday. The secretaries were recognized with a proclammation for observance of the week signed by Canyon Mayor Manly Bryan.

Plans for the week were arranged by Wilma Johnson, chairman, Eleanor Baker, Jo Ann Land and Ethel Lewis.

County Spelling Champs To Regional Spelldown

Two spelling champions will represent Randall County on Saturday, April 26, at the regional spelling bee competition to be conducted at Stephen F. Austin Junior High School in Amarillo.

The regional bee will include county junior and senior champions from points in New Mexico, Kansas, Oklahoma and Texas and is being sponsored jointly by the Amarillo Globe News and West Texas State University.

Both junior and senior county champions will be entertained at the noon luncheon with spelling competition for the senior county champions to follow. The regional winner at the spelldown April 26 will receive an expense paid trip to the National Spelling Bee in Washington, D. C. this summer.

Randall County's senior champion is Cheryl McNabb, a Canyon Junior High School eighth grade student. Miss McNabb, 13, is the daughter of Mr. and Mrs. Eldion McNabb of Route 2, Canyon. She received a $75 savings bond as the senior division winner at the county bee held here March 18.

The county's junior division champion is Debra Drost. Miss Drost, a sixth grade student at Gene Howe Elementary School of the Canyon Independent School District, received a $50 savings bond for her efforts in the county bee last month. She is the daughter of Mr. and Mrs. Kenneth Drost of Amarillo.

Eighteen contestants representing Rex Reeves Elementary School, Gene Howe Elementary School and Canyon Junior High School were involved in the recent county spelldown.

Monty Clems Have Infant

Mr. and Mrs. Monty Lee Clem of 2816 Wilbur, Amarillo, announce the April 8 birth of Keri Brooke who weighed 6 pounds, 14½ ounces and measured 19¼ inches at birth in Palo Duro Hospital here.

The father is a police officer for the City of Amarillo and the mother is an employee of Santa Fe.

Grandparents are Mr. and Mrs. Charles E. McGinn of Amarillo and Mr. and Mrs. Lionel Clem of Sharon, Okla.

Fine Arts Club Holds Elections

Officers for the Canyon Fine Arts Club were elected at the April meeting Monday evening in the home of Audrey Sander.

The new officers will assume their official capacities in the fall of 1975 with Mrs. Margaret Harper as president. Other officers elected were Sybil Youngblood, vice president; Mary Haraden, treasurer; and Noreen Bales, secretary.

Donna Umberson, current president, was in charge of the business meeting attended by 15 club members. The program for the evening featured Wendell Cain discussing Children's speech and arts with young music by Tschaikowsky being presented by Donna Umberson and selections by the Modern Americans being given by Rinkie Sanders.

Potted plants decorated the serving table as Claudia Neelley served as co-hostess.

LADIES' BIBLE CLASS — 10:00 a.m.

WEDNESDAY
MIDWEEK SERVICE — 7:00 p.m.

'Openings' Topic At 'TEXAS'

The gala opening of the musical drama, "TEXAS" in the Palo Duro Canyon on June 18, 1975 will be the occasion for the third art competition sponsored by the drama and the Panhandle Plains Historical Museum. The subject for 1975 will be "Openings."

The judges for the competition on the occasion of the tenth season of "Texas" are being announced today. They are Olive Vandruff Bugbee of Clarendon, Texas, art curator of the Museum; Clarence Kincaid of Lubbock, Texas, horn professor of art at Texas Tech University; Allan Brown, in charge of photography at West Texas State University.

Mrs. Bugbee is a distinguished painter whose pictures hang in many galleries. To reinforce the formal training she received at the University of Chicago and from recognized artists, she has lived outdoors, working with animals, studying them and studying the geology of the land around them. Her passion for wildlife emerges in the vitality and clarity of her paintings.

Clarence Kincaid received his Bachelor's and Master's Degrees in Art at West Texas State University and took his doctorate at the famous Pennsylvania State Art Department. He has held many shows throughout the region and specialized in water color and design.

Allen Brown is also a graduate of West Texas State University but in Political Science. He turned to photography after his graduation and is recognized as one of the best commercial photographers in the area. One of his specialities is aerial photography.

As in previous years, the preliminary selections will be made from slides or small photographs of the originals. These must be in the "Texas" office by 5 p.m. Wednesday, June 4, 1975. Send them to "Openings", Box 268, Canyon, Texas 79015 or bring them to the "Texas" office, 2010 Fourth Avenue in Canyon, Texas. Final judging will take place on Wednesday, June 18, 1975. The prize for the ten winning artists in each class will be two tickets to the Gala Opening of the tenth season of "Texas" that evening.

The winning entries will be displayed at the performance and then will hang in the Museum from June 24 through July 30.

Entries in three classes will be judged: Paintings including oils, acrylics, gauches, tempera, water color and mixed media; Drawing including pastels, pencil sketches, pen and inks, felt tips and graphics; and photographs including color and black and white.

"Openings" of all kinds will be considered: eyes, ears, doors, windows, caves, tunnels, seeds bursting, — opening nights —

For information about the contest write "Openings". For information about the performance write "Texas". The address in both cases is Box 268, Canyon, Texas 79015 and the telephone number is 806-655-2182.

Juniors Have Option To Try University

Academically-talented high school juniors will again be able to enroll in West Texas State University this summer to earn college credit.

Applications must be received by the WTSU Testing and Counseling Center by May 5 for the first summer term, and should be sent by that time for the second summer term, according to Dr. Kenneth Waugh, center director.

This program is being offered for the second time this summer to academically talented students to broaden and/or accelerate their educational experience.

The courses taken by these students will be the same taken by the University's freshmen students, and will not replace or change in any way high school courses. While accorded the same privileges as WTSU freshmen, these students will receive special academic advising and counseling.

An interested student must send by May 5 the regular WTSU application for admission, a letter expressing his reason for wanting to participate in this program, his high school record, recommendation from his high school principal or his representative, parental knowledge and approval, and proof of immunization against polio, diphtheria and tetanus.

The students must also have his scores on the American College Test on file at WTSU. For those who have not already taken this test, a special test date will be arranged if Dr. Waugh is contacted by May 5.

Selection will be based on high school academic record, scores on the ACT and/or other standardized tests, the recommendation of high school and the student's reason for wanting to participate.

Brown's Father Dies In Colo

George Bert Brown, a former resident of Canyon and father of M. B. (Farmer) Brown of Canyon died Sunday, April 13, in Durango, Colo.

He was born Dec. 8, 1881 in Sherman and lived in Canyon in 1946.

Mr. Brown is survived by four sons, M. B. Brown, Canyon; Charles E. Brown, Cedar Hill, Colo.; D. Polk Brown, Aztec, Colo.; and Harris A Brown, Bloomfield, Colo.; one sister, Fannie Daniel, Brownfield; 15 grandchildren; 27 great grandchildren; and 7 great, great grandchildren.

Services were held Tuesday, April 15, in Aztec, Colo.

History Profs To Seminar

West Texas State University history professors Garry Nall and Peter L. Petersen will attend a Bicentennial Symposium "Two Centuries of American Agriculture" this week at the National Museum of History and Technology in Washington, D.C.

The event is being sponsored by the Smithsonian Institution, the National Museum of History and Technology, the United States Department of Agriculture and the Agricultural History Society, of which the two men are members.

Nall teaches a course in American Agricultural History at WTSU, while Petersen is currently working on a biography of a secretary of agriculture, Edwin T. Meredith.

Some of the nation's leading scholars will present papers on various aspects of American agriculture history. Topics to be covered include early American farming, economics of agriculture, America and the world, agrarian politics and changes in American agriculture.

As a part of Greek Week on the WTSU campus, a bicycle race was held Tuesday with all proceeds going to the American Heart Association. Judy Austin, above, teamed with Phil West to win the couple relay race. Over $60 was raised for the Heart Fund.

WT Prof Honored

West Texas State University Assistant Professor of Education Eileen Stovall was honored Thursday night at the annual Delta Psi Kappa awards banquet for being named the outstanding chapter sponsor nationally.

Miss Stovall was selected from nominees from more than 33 chapters nationwide of the women's honorary physical education fraternity for her service to the chapter, the University and the community.

Also hosting the banquet was the men's honorary p.e. fraternity, Phi Epsilon Kappa.

The Panhandle native received both her bachelor's and master's degrees from Baylor University. She taught at Snyder High School in Snyder before coming to WTSU in 1960.

Miss Stovall has been an officer of Delta Psi Kappa, the Texas Association of College Teachers, the Texas Association of Health, Physical Education and Recreation, and a member of the Randall County Cancer Board.

She is the daughter of Mr. and Mrs. A.L. Stovall of Panhandle.

WT Choir To Sing Sun.

Dr. Hugh Sanders, director of choral activities at West Texas State University, will conduct the Collegiate Choir and the University Chorale in a combined concert Sunday at 3 p.m. in the Fine Arts Theatre.

"How Excellent is Thy Name" by Butler, featuring Ron Williams, and "Tender Love" by Luboff will be performed by the Collegiate Choir. The combined choirs will sing Mozart's "Magnificat."

In the second portion of the afternoon concert, Sanders has programmed in chronological order five choral settings of the liturgy of the mass. "Kyrie" by Byrd, "Gloria" by Vivaldi, "Credo" by Haydn, "Sanctus" by Faure and "Agnus Dei" from Britten's War Requiem will be sung by the University Chorale.

Accompanists are Linda Reed, Jean Foster and Renita Richardson. Tenor soloist in Britten's "Agnue Dei" is Bruce Ford.

Senior Citizens Meeting Tonight

The weekly supper session for the Canyon Senior Citizens will begin at 7 p.m. tonight, April 24, at the Canyon Community Center.

All residents age 55 or older are invited to join the group at any weekly session where the group shares potluck casseroles and completes the evening with games and fellowship.

News Brief

Mrs. Margaret Harper, director of public relations for the musical drama "TEXAS", is attending a meeting of the Texas Tourist Council in Odessa this weekend. The council is a private enterprise organization whose purpose is to attract more visitors to Texas.

Musicians Add To Play

The 18 orchestral musicians who accompanied the West Texas State University "Man of La Mancha" production in the Branding Iron Theatre these past two weeks may have been unseen due to the exigencies of set construction — but unheard and unsung they certainly were not!

Mitch Leigh's unusual orchestration of "Man of La Mancha," calling for woodwinds, brasses, percussion and guitars, accurately conjures up the Latin atmosphere appropriate to Cervantes' story, while also providing an exhilarating accompaniment for on-stage singing.

Plucking and blowing their way through the score under the baton of musical director Jerry Doan are Brad Garner and Toni Outcult, flutes; Richard Fairbanks, oboe; Paul Worosello, clarinet' David Aiken, bassoon; Donna Saylor and Hugh Lathem, horns; Doug Laramore and Lonnie Clark, trumpets; Don Baird, Gary Mingus and Bailey Young, trombones; Billy Prescott, bass; Joe Shipp, Tim McGaughey and Don Cadell, guitars; and Paula Williams and D'Lynne Hudson, percussion.

Security Seminar At WT

The West Texas State University School of Business will present a Successful Retail Security Seminar from 8:30 to 11:45 a.m. Friday in Room 101 of the University Complex South.

Store owners from the Panhandle area will attend the conference designed to inform them of methods to prevent burglary, robbery and shoplifting.

Lee Spradlin, Amarillo chief of police, will serve as moderator for the program.

Sergeant Jim Brewer of the Crime Prevention Unit of the Amarillo Police Department, will discuss burglary and robbery, and Richard Norton, corporate security director of Sanger-Harris Department Stores in Dallas, will speak on employee theft and shoplifting.

Cost for the seminar is $5 in advance and $6 at the door. WTSU students will be admitted for $1 with ID.

For more information, contact Ocie Chism, WTSU, at telephone 656-3967.

Seminar Is Set For Secretaries

A seminar for area secretaries and business education teachers will be conducted April 26 in Room 202 of the West Texas State University activities center.

Registration for the seminar, which is sponsored by the Office Business Administration Department of the WTSU School of Business, will begin at 8:30 a.m. Fee is $5, including the noon luncheon.

Speakers will include Melba Ernst, a certified professional secretary and the National Secretaries Association International Secretary of the Year of San Antonio; Peggy Brady of the Amarillo National Bank; Rebecca Wesner, Liquid Paper Company of Dallas; and Nellie Kirkland, Continental Airlines of Amarillo.

Nazarene Church Sets Revival Here

Canyon Church of the Nazarene is conducting revival services through Sunday, April 27, with Rev. J. Marvin Harrison of San Antonio, Texas as the evangelist.

Revival services will be at 7:30 p.m. each evening and at 10:45 a.m. and 6 p.m. on Sunday with local residents invited to attend by Rev. Kirby Choate, local pastor.

The evangelist has pastored a number of churches in Texas and has been in full-time evangelistic work for the past seven years. Special music will be presented by Rick and Carol Unruh of Amarillo. The music director is the minister of music and youth for the San Jacinto Church of the Nazarene in Amarillo.

BSP Chapter Conducts Meet

Chi Upsilon chapter of Beta Sigma Phi sorority met Monday evening, Arpil 21, at the home of Marge Sharp with an executive board session preceding the regular session.

Mrs. Sharp was in charge of the business meeting as the group discussed Founder's Day and the door prize was won by Jeri Rozell.

Present were Mesdames Liz Thompson, Carol Whitney, Linda Haley, Marian Thompson, Carrie Bertrand, Nell Haws, Janine Adams, Jeri Rozell, Sandy Martin, Viola Taylor, Marlene Howell, Marge Sharp and Marilyn Pitt.

SPRY Club Luncheon

Rev. Olin Cosby, pastor of the First United Methodist Church in Kress, will deliver the devotional for Canyon's SPRY Club at a luncheon meeting today, April 24, in fellowship hall of the United Methodist Church here.

The potluck covered dish luncheon is open to any interested resident 60 years of age and up. The luncheon and brief program will be followed with fellowship and games during the afternoon.

Service. . .

(Continued from Page 1)

and an instructor for the state in rescue operations and vehicle extrications.

Bertrand plans to provide top service in his ambulance business here.

"All the citizens should know I'm pledging something they will be proud of," he said. "I don't want people to feel it's my ambulance service, but it's their's."

Equipment acquisitions are a first priority for Bertrand when he takes over the service.

He plans to open his operation with the single ambulance unit now owned by Schooler-Gordon, an Oldsmobile stationwagon. But, he also plans to purchase a high-top ambulance which can carry four persons at one time, and late in the summer he plans to acquire a four-wheel drive ambulance for rural and rugged canyon country work.

All three vehicles, he said, will meet federal standards and will be far above state standards. Each will contain more than $2000 worth of emergency equipment, including the standard ambulance complement of bandages, splints, and gauze.

Bertrand plans to employ four drivers, all emergency medical technicians, and a back-up crew of two part-time drivers.

He will operate from the funeral home.

Bertrand said his charges for standard ambulance runs will not rise. They include $25 per call inside the city limits; $30 per call for an emergency in the city limits; $30 for a call to the county; $35 for an emergency run to a rural area; $6.50 for use of oxygen and sterile mask; and 60 cents per mile for runs outside Randall County.

Bank. . .

(Continued from Page 1)

deposits and capital assets increased substantially and the financial growth of the bank was the best it had been in the recorded history of the bank."

Then, the petition says, on January 7, 1975, Whittenburg "breached the agreement he had made with plaintiff, causing his unwarranted resignation.

"He approached plaintiff and told plaintiff that he, Whittenburg, wanted to be president of the bank and would insist that plaintiff Huddleston resign. Despite plaintiff's protest, Whittenburg remained adamant. He reassured plaintiff that plaintiff's work was satisfactory; that the growth of the bank was especially good; that the financial status of the bank was the best it had been since the beginning of the operation of such facility.

"His only reason stated was that he, Whittenburg, desired to be president of the bank to save plaintiff's salary."

The Huddleston petition alleges that on Jan. 14, 1975, Huddleston announced his possible resignation to the bank directors and they were opposed to such action. However, the petition claims, Whittenburg continued to insist on the resignation and the resignation was ordered effective immediately.

Huddleston seeks $660,000 for salary he might have earned through age 62 had he remained with the bank as president at an annual salary of $30,000.

He also seeks $66,900 for fringe benefits which might have accrued to him through those years if he had remained with the bank.

Vote. . .

(Continued from Page 1)

passed approval of voters throughout the state.

If so, the pay raise measure means legislators will receive a hike in pay from $400 per month to $600 per month, a hike on per diem during the legislative sessions from $12 per day to $30 per day, and a hike in car expenses allowance from 10 cents per mile to 16 cents per mile.

The retirement benefit measure raises the state share in retirement systems from six per cent to 10 per cent. The systems affected include the teacher retirement system, the Texas Municipal Retirement System and the Texas District and County Retirement System.

Fire. . .

(Continued from Page 1)

sioners to send the agreement to Amarillo city commissioners for their consideration.

In other business Monday, county commissioners heard a complaint from Jack Tompkins, who lives in the northwest part of the county on a dirt road.

Tompkins complained that Arden Road, which runs east and west, needs a caliche top only on about one-half mile of its length to remain passable during rainy weather. He said he feels Arden Road has as much traffic as 34th Street, which has a caliche top, and the north end of VFW Road, which also has a caliche top.

County Commissioner John Fulgenzi told Tompkins the residents of Coulter Acres, where Tompkins resides, "have been getting a free ride," because two years ago some road maintenance was performed on their area roads at a cost of about $7000.

"Can it absolutely not be done?" Tompkins asked, referring to the caliche topping of the one-half mile section of Arden Road.

"I would highly suggest you get a paving district and come back to us," Fulgenzi said.

Fulgenzi recommended the residents of the area form a paving district to pass their own taxes and maintain their own roads.

"It seems to me the property owners would be willing to get together and establish a paving district and then we'll go in and fix the roads," he said.

"Is there a paving district on VFW Road?" Tompkins asked. "Is there one on 34th Street?"

Fulgenzi said both those roads had previously had caliche on them and were simply resurfaced. Tompkins responded that Arden Road has also had caliche on it at one time.

County Road Supt. Joe West estimated it would cost $2250 to put caliche on the half-mile section.

Commissioners approved a name change for the incorporated village of Lake Tanglewood. The name was changed from the Town of Tanglewood to Lake Tanglewood. A petition signed by the town officials of the village sought the name change.

Commissioners accepted a low bid of $9112 per truck for two trucks to be purchased from Western International of Amarillo.

Tax. . .

(Continued from Page 1)

file an income tax return.

Stevenson, owner of Stevenson Motor Co. of Canyon, appeared last week before a U.S. Magistrate in Amarillo for initial warnings.

Bond was set at $1000 personal recognizance.

He is to be arraigned May 6 before Judge Woodward in Amarillo.

Roger McRoberts, assistant U.S. Attorney in Lubbock, said the information filed in the case speaks only to personal income of Stevenson.

He said federal law requires that an income tax return must be filed if gross annual income exceeds $600.

He said the information was issued in lieu of an indictment in the case and the charge would be equivalent to a misdemeanor offense.

Maximum penalty for conviction on a charge of failure to file a return is $10,000 fine and less than one year in prison, he said.

Right as Rain!

PIONEER BRAND 828

Given plenty of water on good land with good management, Pioneer® brand 828 sorghum will really lay it on.

It's one of the highest yielders you can plant on the High Plains. You get sturdy stalks and heavy, dark red heads. And, it holds its quality and harvests well even after an early freeze or snow.

Russell Killingsworth, center, came in first in the 120-high hurdles during last weekend's district track meet here. He also placed second in the 300-high hurdles during the meeting.

Kevin Raef . . . first in the 220 dash.

Lyndon Brazile . . . first in district meet in 100-yard dash.

Several From CHS To Region Meet

Several Canyon High School athletes will be competing in regional contests beginning today and lasting through Saturday.

The CHS golf team, winner of five out of six tournaments, including district, will be playing 18 holes today and 18 holes tomorrow in regional play. Coach B.B. Kendrick's team consists of Phil Davis, Dewey Wilson, Bill Turner, Bryan Garner, Howard Bailey and Craig Howard.

Mark Sullivan, a sophomore tennis player at CHS, earned the right to enter the regional competition by placing second in the district tournament. Sullivan, coached by V.J. Duncan, will play Friday. Tennis finals will be held Saturday.

The CHS boy's track team will be sending eight regional qualifiers in nine events to the meet in Odessa which determines state qualification. The meet will be held Friday and Saturday.

The CHS thinclads garnered six first place finishes in the district meet held at the WTSU track last Saturday and three second place ribbons were taken by CHS tracksters. First and second place winners qualified for the regional meet.

Adrian Foil won first in the broad jump with a 21-0 leap. Another first went to Garre LaGrone and his pole vault of 13-6.

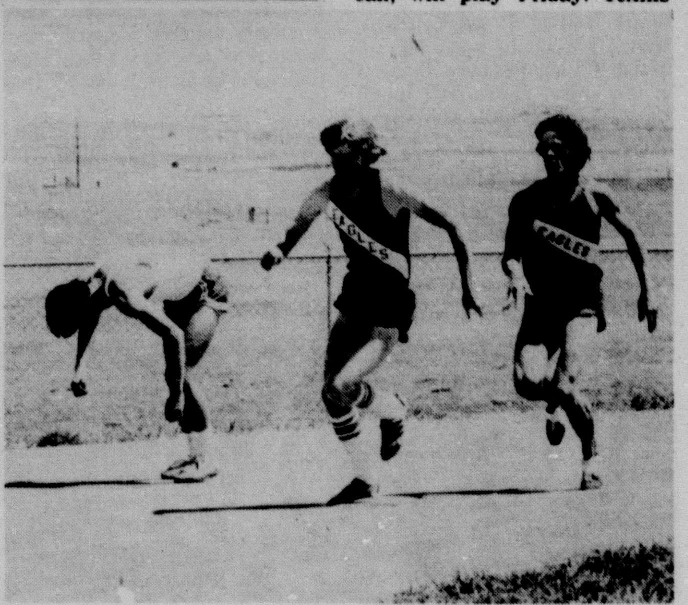
The sprint relay team of Craig Johnson, Ron Mills, Kevin Raef and Lyndon Brazile took the first place trophy with a time of 43.3, one of the better times recorded in the area. The mile relay team also qualified by finishing second. Phillip Halsted joined Mills, Raef and Brazile in the mile relay.

In addition to the relays, Mills, Raef and Brazile qualified in individual events.

Brazile won first in the 100-yard dash with a 9.9 clocking. Raef took top honors in the 220-yard dash with a time of 22.6 Mills qualified in the 440-yard dash with a second place time of 52.3.

Russell Killingsworth was a double qualifier in the hurdles. He won first in the 120-yard high hurdles and second in the 300-yard intermediate hurdles with respective times of 15.1 and 41.5.

Perryton edged out Canyon in total points by a score of 167 to 130 in the district meet.



Ron Mills, right, hands baton to Lyndon Brazile in sprint relay last weekend. Other winning team members include Kevin Raef and Craig Johnson.

CHS Golf Team members, who won first in district last week, are l to r, Dewey Wilson, Phil Davis, Bill Turner, Bryan Garner, Howard Bailey, and Craig Howard.

Hall Tennis Comeback King

Brett Hall may have started something for the West Texas State University tennis team.

At least Coach David Kent hopes so.

Two weeks ago, the Buffs lost three of four matches in a disastrous roadtrip to Oklahoma. Last weekend, WTSU bounced back to win three straight matches in its own Team Tournament, and Hall produced the most remarkable comeback of all.

The sophomore from Clear Lake (south of Houston) fought off at least six match points for New Mexico State's Armando Rivera and emerged with a 4-6, 7-6, 7-6 win over the Aggie senior Saturday morning. Hall was down 5-0 in the second set before making his comeback.

"It's the most amazing tennis comeback that I have ever been associated with, and I've been coaching a long time," Kent said. "I've never seen anyone down that far and that many match points and still win."

Hall will take his 23-4 singles record to Amarillo and Albuquerque this week as the Buffs take a rest from tournament competition. Wednesday (April 23) Kent will send his team into a dual match with Amarillo College at Memorial Park, and Saturday the Buffs will meet the University of New Mexico in the Duke City.

Overall, the Buffs are 21-6 in match play with championships of three tournaments in the trophy case. Earlier this year, WT romped past AC by a 9-0 count, but UNM came away with a 5-4 win in the semifinals of the WTSU Invitational tournament in March.

"I thought we were fortunate to play them that close," Kent said this week of the tournament loss to the Lobos. "They have a much more experienced team than we do: they have seniors and juniors playing against our sophomores and freshmen.

"They have one of the outstanding teams in the Western Athletic Conference."

By the same token, WTSU has one of the outstanding teams in the Missouri Valley Conference, as the Buffs' three MVC titles in four years of competition testifies. This season, Hall is one of the brightest reasons for the good Buff record.

"Brett just has the determination not to lose," Kent added. "He makes up his mind that he's not going to lose, and he just doesn't do it."

The rest of the young Buff squad also has the same type determination. Number two singles player Steve Johnson owns a 19-7 record, Todd Reed in number three is 20-7, Jay Goss in number four is 21-6, Wayne Marsh in number five is 17-3, and number six Bobby Kleinecke is 14-6.

Following this week's action, only one more tournament remains for WT before the MVC championships in Tulsa May 22-24. Next week, Kent takes his team to the Oral Roberts University Invitational in Tulsa.

Kathy Has A Birthday

By DORIS MCKEE

IT WAS A very nice weekend, hope everyone got out and enjoyed it.

My husband, Royce, myself Tod and DeAnn drove over to Lake Meredith on Sunday. It was too windy to do anything but look around.

We were there only about one hour or so and then drove over to Borger, where we ate lunch and looked the town over. We got back home about 5:30. All in all it was a nice day.

* * *

ON FRIDAY, KATHY Rinne had several little third grade girls come home with her from school. It was for a birthday and slumber party. Kathy turned nine on Saturday, April 19th. A belated Happy Birthday, Kathy.

Katie and Albert barbecued hamburgers for supper Friday night and Katie had baked a cake in the shape of a guitar and decorated it. There was also plenty of ice cream.

The girls spent lots of time jumping on the trampoline and riding the mini bike. Each girl brought her sleeping bag and the living room floor was wall to wall girls. Seems they all had a very good time. Those attending were, Karee Bryant, Darla Campbell, Lori Thomas, Kellie Tipton, Marcie Weeter and of course, Kathy Rinne.

* * *

ON SATURDAY KATIE and Albert Rinne had weekend guest show up. Katie's sister and family, Kenna, Victor, Jeffrey and Julie Eckert all of Slaton, Texas. They all had a very nice visit.

* * *

ON THURSDAY NIGHT, April 17th we had a visit from my Uncle Cecil and Aunt Martha Crumley. They live in Pleasant Valley, where he is a teacher. It was a very nice surprise and we hope they'll visit again very soon.

* * *

JON AND DIANA Hoffman had overnight guests on Friday night. Jon's cousin, Kay and her husband Monte Blunk of Hazelton, Kansas stopped by. The Blunks are on a two week vacation trip to California and plan to take in Disneyland and other points of interest, and also visit with Kay's brother, Jay Hoffman who lives in San Francisco. They weren't sure, but may stop back by Jon and Diana's on their return to Kansas.

* * *

WOULD LIKE TO wish Faye and Felton Conner a very happy anniversary. They celebrated their 12th on April 20th.

* * *

WE HATED TO lose Kenneth and Barbara Lett and family this past week. Their home was moved about the middle of the week. They will now be residing at Gainesville, Texas. We wish them the best.

* * *

AROUND MY PLACE we are really hoping for pretty weather for a couple of weeks, at least. They dug our storm shelter on Monday and poured the concrete Tuesday.

I have been very anxious to get this project underway. Royce is on vacation this week and trying very hard to get the place in shape. We have put up some 6 foot cedar fence, planted the garden, did some yard leveling and finished the utility room.

Royce says now, that he will have to go back to work to get rested up.

* * *

KENNETH AND DORIS Wallace thought Saturday was just too pretty a day to stay home, so off they went to Lubbock. They went shopping and looking at the mall and were very impressed with it.

* * *

DUSTY WEST SPENT Friday night with Trent Sizemore in Mescalero Park. David Stein was also an overnight guest.

The three boys took in a movie Friday night and on Saturday they spent their money and time at Wonderland having a lot of fun.

* * *

SUNDAY AFTERNOON DUSTY West, Marty Hoffman, and Scott Flemins jumped on their bikes and rode to Amarillo. They had lunch at McDonalds and then rode over in the north part of town to see Dusty's aunt Mrs. Gladys McGehee where Pearl and Dale West went and picked them up.

All in all the boys rode 26 miles on bicycles. While in town Pearl, Dale and boys visited Larry and Donna West and sons. They were also able to visit Donna's folks Mr. and Mrs. Oxley.

* * *

WOULD LIKE TO welcome John and Paula Kissey and daughter to Siesta. They have rented the mobile home at 206 Loma Linda.

* * *

JAMES, SHARON, SHANNON, Randy and Toni Jones took a weekend trip to Ute Lake in New Mexico. They had a real nice weekend, but everyone sure was tired.

Others on the outing included, Sharon's folks Mr. and Mrs. H. L. Newman of Hereford and Sharon's brother and wife, Pat and Debbie Newman of Amarillo.

* * *

TALKED TO JONNIE Robertson Monday. She said they had lots of callers and several lookers on their mobile home. She said they have a good prospective buyer.

Floyd will be starting his new job in a couple of weeks. They will probably live here until school is out.

* * *

SEEMS CHARLES AND Clarice Heglin of 100 Loma Linda had the William Schroyer family of Odessa, Texas as their weekend guest. Everyone had a very enjoyable visit. Last week Clarice was in Denver, Colo. visiting her sister and family the Dean Heglin's.

* * *

MR AND MRS. Bill Winsett of 149 Plaza are the owners of a big new mobile home, which was delivered Monday. Know they are proud of it and will enjoy it greatly.

* * *

SINCE I AM going to work with the Gene Howe PTA this coming year, it is necessary for me to attend some meetings, one of which I attended on Monday night. It was a leadership workshop and I along with several others from the Gene Howe area participated. It was a very interesting and needed session on my part.

* * *

TIME TO SAY so long for this time, so Keep On Reading.

Thought for this week, "Work with your children, not against them. They'll really love you for it, sooner or later.

See ya. Doris McKee
355-4133

Girl Tracksters To State Meet

Five of Coach Bob Schneider's girl's track team have qualified for the state track meet to be held in Austin May 3.

The qualifications came from first and second place finishes at the regional meet which was held last Saturday in Odessa.

The sprint relay team made up of Deedy Johnson, Louise Davis, Marci Davis and Vicki Miller will be running in the state meet by way of a first place finish at Odessa.

Miss Johnson also won first in the 100 and 60-yard dashes. She was clocked at 11.5 in the 100 and 7.2 in the 60.

Louise Davis qualified in the triple-jump with a second place jump of 33-8.

Penny Peckenpaugh tossed the discus 100-3 to finish first and the right to go to state.

As a team, the Canyon girls finished third with 72 points behind winner San Angelo Lakeview and second place winner Perryton.

Happy News

Booster Club Opens Scoreboard Fund At Bank

By MARY NEAL HENRY

HAPPY BOOSTER CLUB Scoreboard Fund has been opened at the First State Bank in Happy.

The Volleyball tournament of last weekend opened the fund with $1,017. As of Monday, there were two donors of $100 each. These are John Frank Toles and Happy Chapter #562, Order of the Eastern Star.

All monies have been placed in the special fund as the cost of the new scoreboard was reported at $1800. No one mentioned if this included installation, etc.

Al's Restaurant won the first place trophy in the Ladies Division. This team, Tanya McCarley, Marcella Shaw, Connie Richardson, Lawana Selvidge, Sue McCune and Becky Via won two straight games over Rodgers Garage of Kress. Ervins Barber Shop won the third place trophy by defeating First State Bank - took two out of three games. Connie Johnson accepted the trophy. Wilkerson's Motor Company of Tulia won consolation trophy over the GinEttes.

First National Bank of Tulia won the First Place trophy in the Men's division. Dickie Clark was the only one of those players that I knew. Rodgers Garage of Kress also took the men's second place trophy. Farm Bureau of Tulia won third place over Arney Grain. Little John Vaughan beat the Happy Jacks for Consolation.

LARRY MCKELVEY WON First Place in the Broad Jump at the District Tract Meet by jumping nineteen feet eight and one half inches. Larry will represent Happy High at the Regional Track Meet in Levelland this weekend. Coach Cleve Vessels says that Larry will jump Friday morning at 10:00 a.m.

Junior High Boys took third overall in the District Track Meet with a total of 72½ points. Vincent Venhaus, Richard McKelvey, Jay Oler and Donnie McKelvey won third in the 440 yard relay with a time of 52.8. Scott Morrison won sixth in the 880 yard run with a time of two minutes 42.4 seconds.

Wade Bell won third in the 80 yard high hurdles with a time 13.5. Vincent Venhaus won first in the 100 yard dash with 10.6. Jay Oler won sixth in the 440 yard dash with 65.5. Vance Morrison won fourth in the 330 intermediate hurdles with 52.5.

In the 220 yard dash, Vincent Venhaus won first with 25.6 and Donnie McKelvey won fourth with 27.2. Ricky Perez won fourth in the mile run with six minutes and 6.8 seconds.

Happy took sixth in the mile relay with a time of 4 minutes 39.5 seconds. The team was Scott Morrison, Jay Oler, Vance Morrison and Doug Sims.

Donnie McKelvey won second in the Broad Jump with sixteen and a half feet. Donnie also took sixth in the high jump with 4'8". Corin Freeman won fifth in shotput with 38'¼", and second in discus with 109'8". Lee Doughtery won seventh in discus with 88'7".

* * *

SHANNON WILHELM WON first in spelling at the regional UIL meet last weekend and will represent Happy at the State meeting. Cathy Parker won second in persuasive speaking and will also go to the state meet. Connie Hand won third in the shot and fourth in discus . . . barely out of state competition. Amy Wallace represented the Happy school in tennis at the regional meet.

* * *

THE WOMEN'S STUDY Club entertained their husbands with supper and '42 last Thursday evening in the Methodist Church. Mrs. John Toles registered guests. Decorations were done in spring colors and flowers.

Mrs. Eugene Sims welcomed the guests. Mrs. John Butler pronounced the invocation.

Hostesses for the evening were Mesdames: George Tirey, Reed McDonald, Bob McDonald, Dick Railsback, Frank Walters, Hobart McManigal and Joyce Wheat.

* * *

CHARLES KENNEDY IS in St. Anthony's hospital in Room 329. Robert and Richard have both been "home" to see their parents.

Williard Middleton came home from the hospital last Friday. Mildred says that he is improving - gradually.

Acie Dell Boyd also returned home from the hospital this week. She has both feet in casts.

* * *

SUNNYHILL HOME DEMONSTRATION Club members who ate lunch and toured an Amarillo greenhouse last Thursday were Gwynn Tucek, Shirley Williams, Lou Dougherty, Phyllis Bryan, Jo Hand, Hermion McNeill, Tra McNeill, Barbara Danner, Belinda Goode, and LeeNell Hampton. Mary Jane Miller ate lunch with the group.

* * *

SOPHOMORES HAD A bake sale on Saturday morning at the Corner Drug in Happy. I cooked so much for the concession stand last weekend, I just thought those tea rings were also for the score board. But they were for the sophomore class. Sorry if you showed up for a bake sale auction last Saturday night.

* * *

NEAL ODOM WAS sitting second in the tie down calf roping at Spearman Tri State Rodeo with a time of twenty seconds on Saturday afternoon. Even with one show left to go, Neal surely gleaned points for that performance.

* * *

ROYCE VERNON FEATURED her piano and organ students in recital on Sunday afternoon in the First Baptist Church in Happy. The program was divided into two parts.

Those playing piano in the first recital were Melissa Null, Tricia Hargrave, Terl Patching, LaRae Sims, Debbie Dietz, Sharla Miller, Carla Venhaus, Nancy Woods, and Knoxie LeBeau. Lisa Payne performed at the organ and accompanied Knoxie LeBeau while she played piano.

The second recital included J'Taun Burks, Mollie Parker, Tisha Selvidge, Kaye Lynn Stubblefield, Angelique Henry, Gennie Jackson, Shann McCarley, Kathy Flowers, Vicki Jones, Angella Parker, and Hol Toles.

* * *

LAVENNA JACKSON AND Lena Ponder attended the 18th District Legion and Auxiliary Convention in Hereford last weekend. On Saturday, LaVenna was initiated into the American Legion Auxiliary in a candlelight service using the four candles symbolizing freedom, democracy, justice and loyalty. The Department Commander of the State of Texas won the featured at a banquet Saturday evening.

On Sunday, a memorial service was held for all past departed legionaires. LaVenna gave a report of Happy American Legion Auxiliary's activities and received three citations. The Auxiliary received a citation for 50% membership and another for 100% membership quota by October.

LaVenna received a citation for 100% membership quota during her term as President. She was also appointed chairman of the Resolutions Committee and drafted to help with the Girls State Citizens orientation program in Amarillo on May 31st. LaVenna gave a talk about her experience as former Cornhusker State Girls State Citizen.

The Girls State Citizens for this year from Happy are Cathy Parker and her alternate is Megayla Thornton; Becky McCarley, and her alternate is Shirleen Boston; and Connie Hand and her alternate is Linda Railsback. Girls State will be held in Sequin from June 10 through June 20.

* * *

SHERRI STARKEY WON All-Round at the Silverton Junior Rodeo last weekend. She won two seconds and one third to win the title and over $200.

* * *

HAPPY HIGH SCHOOL Junior-Senior Banquet is this Saturday evening.

* * *

TIM MCNEILL WAS home from Lubbock Christian College over the weekend. He brought his fiance, Lois Wernlund, who is also an LCC Student and originally from Wisconsin.

* * *

THE FOURTH GRADE class of Happy Elementary school recently made beef cookies. Joy Bryan and Barbara Danner helped the class with this project.

The cookies were baked in the homemaking department and brought back to the fourth grade and served. They share them as long as they lasted.

* * *

ALTA VERDE FEED Yard of Eagle Pass bought the Happy Feed Yards and plan to reopen it. They will have another sale in about thirty days to dispose of miscellaneous items not wanted by the new ownership.

* * *

HAPPY CHAPTER #562 Order of the Eastern Star met Tuesday of last week for regular business. Refreshments of strawberry short cake topped with whipped cream, tea and coffee were served to Ruth and Alden Mann, Ruth Sims, Catherine Miller, Juanita and Snooks Robinson, Ann and Sam Williams, Jo and Fay Hand, Gracie and Frank Tirey, Gladys Haley, Willie Butler, Alice Wilkes, Pauline Wesley, Ora Mary Sims, Willa Jane McManigal, Sara Gurley, Dora Ratjen, Evelyn Shipman and Mary Neal Henry.

Ruth and Alden Mann, Ann and Sam Williams, Jo and Fay Hand and Joan and Kelly McDonald attended Tulia Chapter OES Friendship Night recently.

Ruth and Alden Mann and Catherine Miller attended Silverton's Eastern Star Friendship night also.

* * *

HAPPY COWBELLES AND Arney Community Club hosted the Senior Citizens luncheon Thursday of last week at the Happy Lion's Den. About fifty seven people attended the luncheon.

* * *

MARTA DONNELL TRAVELED to Odessa over the weekend with Gay and Laura Fellers and visited relatives there.

* * *

JOBETH AND ROY Dee Thompson spent a few nights last week visiting the W. T. Robinsons.

* * *

THANK YOU, ANN Brown, for last Sunday's column. You "hit the nail right on the head."

* * *

OUR SYMPATHY TO the family of O. A. Smith, who died on Monday. The Smiths and the Henrys were neighbors when we first married.

See ya!
Mary Neal

The students in the Pre-employment Office Education class at Canyon High School have converted their normal classroom into the offices of a big business. For the next month, the class will consist of a simulation of the Lester Hill Corporation.

CHS: Scene Of Big Business

Business is booming not only to the north of Canyon but on the Canyon High School campus as well.

The Lester Hill Corporation now has a branch office in the school's Vocational Education Department.

The business is a project of the Pre-employment Office Education class. The project simulates real-life business experiences for the POE students.

The Lester Hill Corporation is a distributor of institutional supplies and equipment for hotels, motels and other establishments.

The business began functioning April 1 with a two day orientation held to aquaint POE students with corporation policies and procedures. Each of the students applied for, and were assigned to positions within the office. The Canyon branch is a medium size company with four departments.

Mrs. Georgia Lee, VOE teacher-coordinator, was named president of the corporation. Other officers and employees include an executive vice president in charge of operation; a general manager; a secretary-receptionist; and managers and employees of the sales, warehouse, traffic and accounting departments.

A simulated computer-processing center known as Tallidata represents the outside world. Tallidata serves as Lester Hill's customers, suppliers and bank. The VOE classroom has been screened off to separate Tallidata from the Lester Hill Corporation.

The office simulation functions on the work feed system. Purchase orders are fed in daily for Tallidata to process as customers of Lester Hill. From Tallidata the orders are sent to the sales department of the corporation, where the order begins its processing. Each department will have the opportunity to work with the order, performing the functions that would be done in a real-life situation.

When more supplies and equipment are needed by Lester Hill, the warehouse department places an order for the quantity required and forwards this order to Tallidata. The computer-processing center fills this order by acting as a supplier for Lester Hill.

Each student will be transferred to a new department at least twice during the project. This will enable the students to become familiar with more than one type of departmental work.

The simulation will continue through May 16. Visitors are welcome and invited to come by and see Canyon's newest business located in Room 103 of the Vocational Education building on the CHS campus.

Cafeteria Menu

REX REEVES & GENE HOWE ELEM.

Monday, April 28 — Steamed Franks with Mustard, Whipped Potatoes, Green Beans, Cake with Fruit Topping, Bread, Milk.

Profit Maker for the Plains!

Pioneer® brand 828 is one of the highest yielding sorghums you can plant. It responds well to good management on good land with plenty of water. Many Plains growers like 828 because it holds its quality and threshes well even after an early freeze or snow.

Semi-compact heads of dark red grain on sturdy stalks make Pioneer brand 828 a beauty in the field.

PIONEER.
